Colour Me Happy

3 August 2019, Saturday

Marina Bay Sands, Jasmine Ballroom

Cerebral Palsy Alliance Singapore (CPAS) warmly invites you to join us at our Charity Dinner 2019. The charity dinner seeks to raise at least \$250,000 for over 700 clients with cerebral palsy and multiple disabilities. The funds raised will go towards our programmes and services to enable clients to realise their full potential and lead fulfilled, dignified lives. It will also be channelled towards subsidising therapy fees, specialised equipment, transportation costs, and providing financial assistance for the children and adults in our centre.
