Coordinating Minister for Social Policies

Welcome to CPAS Charity Dinner 2025

Dear friends and supporters,

Thank you for joining us at the CPAS Charity Dinner 2025. Your presence tonight demonstrates your commitment to our mission of empowering persons with cerebral palsy or multiple disabilities to realise their full potential and lead fulfilled, dignified lives.

Our theme this evening, “Rock ‘N’ Roll for a Cause”, reflects the bold spirit and unwavering determination that drives our work. For over 800 children and adults in our care, CPAS represents hope, opportunity, and the chance to reach their fullest potential. We stand firm in our belief that with the right support, every individual under our care can overcome barriers and achieve remarkable achievements.

Tonight, we have the privilege of welcoming Mr. Ong Ye Kung, Minister for Health and Coordinating Minister for Social Policies. His presence underscores the importance of collaborative efforts in building an inclusive Singapore where every citizen matters. We are deeply grateful for the government’s continued commitment to advancing disability services and creating meaningful pathways for our clients.

To Marina Bay Sands, our gracious venue sponsor, we offer our sincere thanks for opening your doors to our cause once again. Your partnership over the years has been instrumental in creating memorable evenings that bring our community together, and critical in bolstering our programmes that support our beneficiaries.

To every sponsor, donor, volunteer, and team member present—you are the foundation upon which our mission stands. Each contribution you make, every hour you dedicate and all the resources you share directly translate into better lives for the clients we serve.

Thank you once again for your presence and support. Enjoy the evening and let us rock on together!

Unwavering

About the Collaboration

This evening's featured artwork, 'Unwavering', represents a unique partnership between two remarkable individuals. Mr. Terence Low, whose child attends CPAS School (East), took inspiration from the extraordinary journey of CPAS Connect Alumni Member Jeralyn Tan to create this striking acrylic piece.

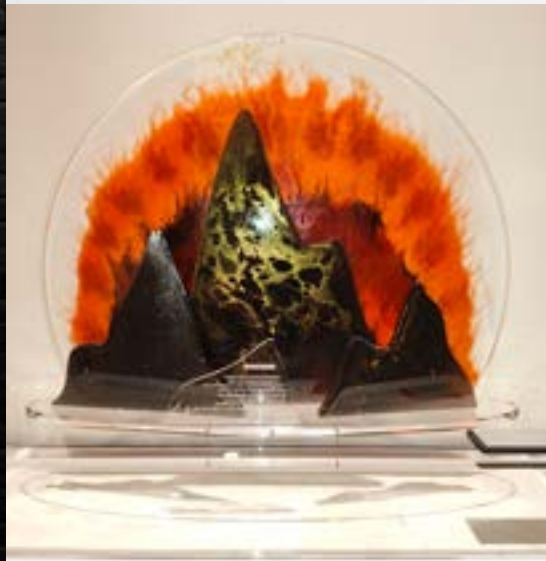

Jeralyn recently achieved a historic milestone at the Paris 2024 Paralympics, claiming Singapore's first-ever Paralympic medal in Boccia with her silver medal victory in the women's BC1 event. When Jeralyn shared her inspiring story with Terence, it sparked a creative collaboration that has culminated in tonight's highlight piece for our live auction.

Together, they have crafted an artwork that captures the essence of determination and achievement – a fitting tribute that we are proud to showcase this evening.
