A SCHOOL THAT EMPOWERS STUDENTS TO BE ACTIVE LEARNERS IN THE COMMUNITY

CPAS School (CPASS) West is a double-session Special Education (SPED) school serving students with moderate to severe multiple disabilities. We offer the SPED Curriculum as recommended by the Ministry of Education.

Through our mission to equip students to live meaningfully and learn continuously, we support their growth across seven domains:

- Social-Emotional

- Daily Living
- Vocational
- Physical Education
- Arts

The school highlights Character and Citizenship Education as the core of a value-based education and uses ICT to support and enhance teaching and learning.

TRANS-DISCIPLINARY APPROACH

A Trans-Disciplinary (Trans-D) Approach is integrated into the learning framework, bringing together a SPED teacher, Physiotherapist, Occupational Therapist, Speech and Language Pathologist, Social Worker, Psychologist and families as a unified team to provide holistic education and intervention support that maximises each client's developmental growth.
